

MEMBER RECOGNITION PROGRAM

Member Recognition Scoring Index for 2021

- A point-based engagement scale to measure a member’s engagement with the SOA over the past three years with the largest weight in the most recent year.
- The scale has a maximum of 100 points and each Key Performance Indicator category has an internal maximum point value, so a member must have points in each area to earn the maximum points.
- Members needed to earn at least 50 points to be eligible to receive SOA gifts in the Member Recognition program. The more points earned provide access to more valuable gifts.
